

Fairlawn School Cell Phone and Electronics Policy

The student handbook states that during the school day no student shall use or possess on his/her person any battery operated devices. This includes but is not limited to cell phones.

Students may bring a cell phone to school as needed for after school activities. However, the phone must remain in the student's locker and may not be turned on at any time during the school day.

Violations will result in the following discipline:

- 1st Offense – Saturday School
- 2nd Offense – 3 days In-School Restriction
- 3rd Offense – 5 days Suspension
- 4th Offense – 10 days Suspension

All violations will result in the device being confiscated and a parent or guardian must appear at school and sign off in order to get the device back.

Refusal to give up electronics equipment at any time will be considered insubordination and the student will automatically be suspended for up to 10 days.

I have read the above electronic violations, and acknowledge the consequences should any further violations occur.
