

## CLASSROOM EXPECTATIONS FOR IpadS

### 1. Classroom

- I understand that iPad use in the classroom is up to the teacher. I understand that there will be times I will be asked to put my iPad away and will do so.
- Failure to comply with the teacher request will result in the immediate denial of use of the iPad for that period
- iPads are to remain on the desk of all students at all times
- Any applications or activities done on the iPad during school hours must be school appropriate (Facebook is not an appropriate use)
- iPad camera may only be used as part of an assignment
- NO iPads are to be used in the restrooms, locker-rooms or at lunch
- Messaging another student during class will be considered passing notes and assigned a detention per the handbook

### 2. Study Hall

- Students are permitted to listen to music and play appropriate games on their iPad if the following are true:
- The student has no missing assignments
- The student has no "F's"
- The activity does not disturb others

### 3. Behavior

- I understand that I may lose the privilege of using my iPad if my behavior is such that I am not complying with my teachers. If you are directed to relinquish your iPad by a teacher or administrator, failure to comply will result in a 10 day out of school suspension that is non-negotiable.

### 4. Assemblies

- Do not bring iPad to assemblies. Lock them in your lockers

### 5. Other Electronic Devices

- I understand that the iPad policy has nothing to do with other electronic devices. All other electronic devices such as cell phones are still subject to discipline
