

## E-Learning Days for the 20-21 School Year

As you know, Fairlawn has used all 5 calamity days and all 3 blizzard bag days for the 20-21 school year. Due to the last calamity day, we are now making up a day on President's Day, Monday, Feb. 15<sup>th</sup>. Moving forward, Fairlawn will be instituting Electronic Learning Days for any other school day cancellation through the end of the school year. These days will expand beyond a typical blizzard bag day as our teachers will be logging into Teams and providing instruction throughout the day. On an E-Learning day, teachers will begin teaching at 10:00 am and follow the schedule listed below. Elementary students should follow the schedule set by their own teacher in Teams. This allows us to continue to have academic days prior to state testing and avoid adding additional days on to the end of the school year. The expectation is that students can either follow along with their classes through the day or teachers will post their lessons to Teams for students who are unable to log on during school hours. Work assigned will need to be turned in by the date set by the teacher.
