**Large Stage Shows:** Floating assistants, disappearing objects from the audience and what magic show would be complete without a magical bunny. These exciting illusions will take your breath away.

"Your show was fast-paced and witty. I appreciated your good-natured humor." Jim Thieman, of Faulkner, Garmhausen, Keister, & Shenk.

**Dinner Entertainment:** Entertain patrons as they wait for a table, at the bar or for their meals. It's a sure-fire way to keep that long wait off the patron's minds and at your establishment.
